

LOG-IN INSTRUCTIONS

1. Go to www.LeaderResources.org
2. At the very top of the page (on the right side) click the small word-link that says "Login" which will take you to our sign-in page.
3. You'll see two options...
 - a) Use the **LEFT** side if you've re-registered your account since June 2011. Enter your email address and password and then click the small white "Log in" button
 - ★ If you've registered your account, but don't know your password, click the red box "Retrieve or Reset Password" at the bottom of the left side.
 - b) Use the **RIGHT** side if you need to register. Type in all info -- be sure to choose your church by clicking the blue words ("Click here") at the bottom of the right side. Once you've done that, click the red box that says "Create New Account"
4. Then you'll be taken to a screen that says "My Account" in red at the top.
 - ★ From this main account page, you can also click on the "Profile" tab (small black words under the row of pictures" if you need to to update names, address, email, etc.
5. You may need to scroll down a bit to see it, but in the middle of that page, there is a white block that says "Click on the title to download your files" --- and underneath that you will see your items. Memberships will show the title of the membership followed by the expiration date (such as: ***Journey to Adulthood (J2A) (expires: 2011-09-14)***)
 - a) If you click on an **EXPIRED** membership, you will be taken to that membership's ordering page where you can place your renewal order. The system will automatically add one year to your current renewal date.
 - b) If you click on an **CURRENT** membership, you will be taken to the Downloads page, which is divided up into many different resources. Look for the program you want and then click on the black underlined word (sometimes it has the name of the resource and sometimes it just says "FILES")

*If you have any trouble at all,
please call us at 1-800-941-2218*
